Attachment A

REQUIREMENTS FOR LOCAL WORKFORCE DEVELOPMENT POLICIES (1/3/2020 Update)

Separate Local Area Policy: State policy specifically requires the local WDB to develop a policy for implementation in the local area. See relevant state policy for more details.

May Use State Policy as Local Policy: State policy does not specifically require an area-specific policy, however the WDB may adopt the state policy to ensure compliance in program implementation.

No Need for Local Policy: State policy establishes all necessary requirements for compliance.
